

Meeting the Challenge of Failed States: Civilian Stabilization Initiative

Building Civilian Capacity:

We are building the civilian capacity necessary to prepare, plan and conduct Reconstruction and Stabilization (R&S) missions in FY09:

Draw on all elements of national power for R&S

Deploying Diplomacy, Defense, Development, Finance, Intelligence:

A new system of civilian-military planning and trained civilian teams to deploy to crises around the world

The inaugural team of State Department Active Responders have been deployed in Sudan, Chad, Kosovo, Iraq, Afghanistan, Nepal, Haiti, and Lebanon.
